 Defendants.)
_____)

ORDER

This matter is before the Court on plaintiff's objections to the Magistrate Judge's Memorandum and Recommendation. After careful consideration of plaintiff's objections, this Court ADOPTS the Magistrate Judge's Memorandum and Recommendation. This Court finds that plaintiff has not alleged viable claims under 42 U.S.C. § 1983 for violation of some constitutional right, or for negligent handling of the mail under the Federal Tort Claims Act, 28 U.S.C. § 2671 *et seq.* Plaintiff has failed to show he has exhausted his administrative remedies and therefore any claim by him based on contract also fails. This Court finds no other potential claims plaintiff could have alleged after a liberal reading of the complaint. Accordingly, this action is DISMISSED.

SO ORDERED, this 27 day of October, 2013.

TERRENCE W. BOYLE
UNITED STATES DISTRICT JUDGE
